Tariff Measure.

Question of Duty on Razors Again Occupies Attention of the Upper House of Congress-Smoot Declares Blades Worth Forty-nine Cents Sell for Three Dollars,

The Senate made practically little progress yesterday with the tariff bill. Under the agreement made Saturday one hour of time was added to the legislative day by the Senate meeting at 10 o'clock, instead of at 11.

Senator Sutherland, of Utah, took the floor as soon as a quorum was obtained Virginia and spoke until nearly 2 o'clock, and then Senator Depew, of New York, addressed the Senate until about 4 o'clock,

He opposed the adoption by the govern ment of an income or an inheritance tax, urged speedy action by the Senate on the tariff bill, and defended the Finance Committee bill. He was especially optimistic regarding the prosperity in store for the untry when the tariff bill is disposed of. Declaring that "it is as plain as two and two make four that the Standard Oll Company would be the sole beneficiary of he free trade in oil between Mexico an United States," Senator Depew

Regarding revision, he denied that the Republican party was committed to any The bill was taken up and an hour given to discussing the paragraph relating to the duty on razors. A pending amendment by Senator Simmons, of North Carolina, was rejected without the

strongly favored a duty on petroleum.

formality of a roll call, whereupon Senator Stone, of Missouri, submitted an other amendment, and that was pending when, at 5 o'clock, Senator Aldrich moved an executive session, at the onclusion of which the Senate ad-The Senate Committee on Finance had

reported an amendment greatly increasing the duty on razors and adding provisions relating to the marking on them to insure against fraud on American purhasers by substitution of foreign-made razors for those of American manufacure. Senator Stone precipitated an interesting discussion of the duties on razors by reading excerpts from a letter written by a large wholesale dealer in hardware in St. Louis, who protested against the increase proposed in the tariff bill. Calls German Razor Superior.

The dealer said he had handled more razors in the trade than any other dealer in the world, and he declared, among other things, that the American manuwas not made clear. Mr. Bartholdt's res- facturer could not produce a razor equal to those made in Germany, because Germans were experts in the grinding of the blades and they received such high wages in Germany that they were unwilling to quit their employment there to come to

> This dealer insisted that the proposed increase of duty was wholly in the inter est of a few manufacturers who had taken control of the American production Senator Smoot ventured into the debate to explain the razor paragraph. He unfolded an exhibit of cutlery, and nearly startled the Senate when he made the assertion that a firm in Little Falls, N. The Bellevue AND ANNEX, Y had ordered three razors from im-Y., had ordered three razors from importers in Portland, Oreg., for which they view in the mountains. Pure spring water. Booklet J. A. BARNES' SONS. had paid approximately 49 cents apiece, including postage.

"Now those razors will be sold for \$ apiece in the retail trade," said the Senator from Utah. Gentry Brothers' Dog and Pony Show Senator Bacon interrupted to say that opened yesterday at the show grounds, a popular article of razor could be bought

at any of the retail stores for 25 cents. His Best Blade Cost a Quarter. "The best razor I ever owned cost only

and papa seemed to enjoy themselves 25 cents," interposed Senator McLaurin. "When did you own it?" inquired Mr. Aldrich.

"About twenty-five years ago," replied Senator McLaurin; and the Republican Senators evidently considered this a huge joke from the way in which they laughed. Senator McLaurin showed some curiscurrying to their places and assuming osity to know how Mr. Smoot reached the played would be sold for \$3. "Have they been sold yet?" he inquired.
"No. but they are?" "No, but they will be," replied Mr.

"Not after the Senator's statement, I hope," remarked Senator Bailey.

Denies There Is a Trust. Continuing, Senator Smoot declared that

editorials from Southern newspapers.

personality and qualifications. Here are

"A politically prejudiced gas-bag from Ohio! "A windy misfit from Ohio." "An ass of the first magnitude." "A pusillanimous pygmy from Ohio." During the reading of the editorials. nembers of the House laughed uproar-

lously at the picturesque characterizations of Mr. Hollingsworth by the South-

ern editors. He became impatient, and

Mr. Hollingsworth then attempted to have the House consider his resolution short career was excellent, and this, Oklahoma, announced that he would He moved that the Committee on Naval coupled with his faithful training, gained for him the honor of leafers, and this, and vote for the duty on crude oil.

He moved that the Committee on Naval Affairs, to which it had been referred, be discharged from further consideration and that it be reported to the House. Speaker Cannon checkmated Mr. Hollingsworth's efforts by ruling that such a notion was not in order, because of the fact that the Naval Affairs Committee
